**Re: Rule Certification. NYMEX Submission 04.107 – Notification of
Amendments to NYMEX Division Rule 11.63.**

Dear Ms. Jean Webb:

The New York Mercantile Exchange, Inc. ("NYMEX" or the "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC") of amendments to NYMEX Division Rule 11.63, Electronic Trading Error Trade Procedures.

These amendments pertain to the minor addition of inadvertently omitted language in the prior Submission 04-103 dated August 5, 2004, and a correction to the proper committee name in Section (F) of the rule. Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that these amendments comply with the Act, including regulations under the Act.

Should you have any questions concerning the above, please contact the undersigned at 212-299-2940.

Very truly yours,

Nancy M. Minett
Vice President
Compliance Department

Amendments to Rule 11.63—Electronic Trading Error Trade Procedures
(Underlining indicates additions; strikethroughs are deletions.)

Section (A) remains the same.

(B) Except as provided in Section (F) below, ~~if~~ a potential user Error is observed by or brought to the attention of the NCSCC within ten (10) minutes after the trade occurs, the following procedures will apply:

(B)(1) through (D)(3) remain the same.

(E) Except as provided in Section (F) below, ~~if~~ a potential user Error is brought to the attention of the NCSCC by one of the parties to the potential Error trade later than ten (10) minutes after the trade occurs, the trade will stand. However, NCSCC staff will assign both sides of the transaction to the account of one of the parties if:

(E)(1) through (3) remain the same.

(F) Clearly Erroneous Trades Brought to the NCSCC Attention Outside 10-Minute Window. If any transaction is brought to the attention of or is otherwise identified by NCSCC Staff as clearly erroneous and thus inconsistent with the maintenance of overall integrity in the marketplace, Staff shall be authorized to assemble an Electronic Trading Review Committee for the purpose of determining whether to cancel or bust such transaction regardless of whether the notification occurred outside the prescribed 10-minute notification period.
